Ivo COLOMBO – Geolog International

Ivo Colombo, Ph.D. is an environmental engineer who has been working in the energy industry for over 7 years. He received his Ph.D. in Environmental and Infrastructure Engineering at Politecnico di Milano and worked in the R&D team of Geolog as a data scientist. Since 2021 he has been coordinating a multi-disciplinary team, focusing on research projects involving digital solutions, engineering, and geothermal activities.
